Lesson 10

(D1:THE HEART) SANCTIFIED BY PRAYER

DUE:

Wednesday, February 8/ Saturday, February 11

LOOKING BACK...

Which of the principles covered was most helpful to your thinking about prayer?

LOOKING DAY BY DAY...

Spend time each day this week in prayer in the following ways. Also, take time (perhaps at the end of each day) to consider how God has used these prayerful moments to shape your walk with him during the day/week.

1. Tell God *that* He is worthy of your prayers and *why*.
2. Confess whatever sins you are aware of as well as the heart (thoughts, motives, desires, etc.) behind certain besetting sins.
3. Thank God for at least one truth from a particular passage of Scripture (draw from recent personal Bible reading or from recent teaching you heard).
4. Admit your neediness and ask God to meet a particular need, even as you aim to ask from pure motives.
